

Kelvin Grove State College

The Pursuit of Excellence With All Our Might

KELVIN GROVE STATE COLLEGE | 2027 EXCELLENCE PROGRAMS

Comprehensive information regarding in-catchment and out-of-catchment enrolment applications is available on the College website for Parents/Guardians submitting applications for Middle and Senior School.

All enrolment applications are required to be completed via the online Portal on the College website [here](#).

Enrolment applications must include the following documentation:

- Student birth certificate or passport
- Student visa documents (if applicable)
- Semester 2 2025 school reports & Year 5 NAPLAN documents
- Evidence of in-catchment documents (if applicable)
- Supporting Evidence for Excellence Program/s

Application processing fee:

The College applies an enrolment application processing fee to help cover the administrative costs associated with assessing and finalising applications. This fee supports the management of enrolments, including verifying documentation; processing paperwork; conducting exams, trials, workshops, and auditions; and maintaining the systems that ensure applications are managed accurately and efficiently.

- **All Excellence Program applications incur a non-refundable \$350.00 processing fee. The fee is payable only once if applying for multiple Programs.**
Payments are made to the College bank account; details are as follows:
Name: Kelvin Grove State College
BSB: 064-157
Account: 1000-0544
Reference: Students' name and an abbreviation of the Program, e.g. Smith G Football.
- **Current Year 6 KGSC students who sit the Academic exam are required to pay a \$100.00 non-refundable fee. Invoices will be issued by the SUB Shop.**

The College acknowledges that the enrolment application processing fee may pose a challenge for some families facing financial hardship. In response to this concern, we ask that Parents/Guardians who may be in this position email msenrolments@kelvingrovesc.eq.edu.au detailing their circumstances and requesting consideration for a fee waiver. Supporting documentation may be required to assist the College in assessing the request.

Excellence Program eligibility:

All applications to an Excellence Program require excellent levels of effort and behaviour displayed in the students most recent school report and applicants' ability should meet the current standards of the Program. Program Coordinators can be contacted for details on the most up to date fee structure.

Local Catchment Area:

Student's principal place of residence is within the defined catchment area, you can check your home address via Ed Map www.qgso.qld.gov.au/maps/edmap.

Decision on enrolment:

The Principal is responsible for all decisions on enrolments and may request any additional documentation and conduct other enquiries deemed necessary to satisfy eligibility criteria. Out of catchment enrolment application decisions are at the discretion of the Principal.

For more information, please refer to the College [Enrolment Management Plan](#).

For all other enrolment enquiries:
