Midori Nanamiya Artimal 2022-2023 Cohort

"The most important thing I learnt was that you can start a business at any age. I also learnt how to pitch and brand my business. I learnt the importance of colours and how they can subconsciously make people sense a type of feeling and represent meanings."

Maeve Min **Write In Green** **2022-2023 Cohort**

I create an aesthetically pleasing notebook by using used paper to make collages for cover pages and can personalise them. After the customer is finished with their notebook, instead of throwing them, they can send it back to me and I reuse the paper again to create another collage for another new notebook, thus reusing and recycling.

KGSC Young Entrepreneurs Hub

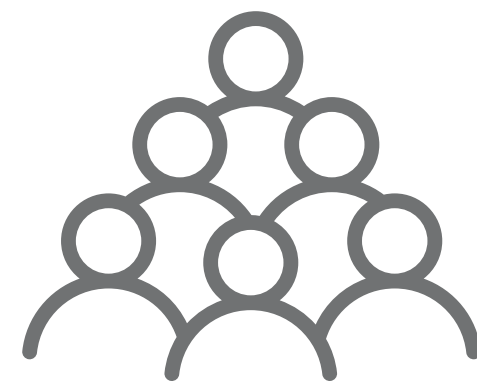

Ready To Join? 2025 Cohort Now Open

The **Young Entrepreneurs Hub** is a free program designed to help high school students build, launch, and grow their businesses while they're still in school.

Hosted at the WeWork Co-Working Space in Brisbane City, and facilitated by the BOP team, this is an opportunity for young entrepreneurs wanting to take the next step on their business journey to access support, mentoring, and a network of likeminded young people.
