The Program

The Instrumental Music/Vocal Program in Years 7–9 is designed to support continuing students who are currently learning an instrument or voice.

Students will be required to audition for the Instrumental Music/Vocal Program. Auditions assist the Music Department in determining student placement and organising appropriate classes and ensembles.

Students enrolled in the Instrumental Music/Vocal Program are also eligible to apply for the Music Excellence Program. Students wishing to participate in the Music Excellence Program will be required to complete a separate Music Excellence audition.

Details regarding the days and times students are required to attend the College for Instrumental Music/Vocal classes will be communicated in Term 1, 2027.

Please note that fees apply to the Instrumental Music/Vocal Program and Music Excellence Program. Current College fees are available through the College website [here](#).
