Kelvin Grove State College

The Pursuit of Excellence With All Our Might

Our Just Cause

“Nurturing globally competent learners, leaders and citizens”.

A successful senior schooling experience lies in our students developing their **passion**, through committed **performance** to assist in their chosen **pathways**.

What will we be covered

- The Queensland Certificate of Education (QCE)
- Vocational Education and Training (VET)

Setting the Scene

Lets begin with a [short animated video](#) that suggests an approach to pathways planning.

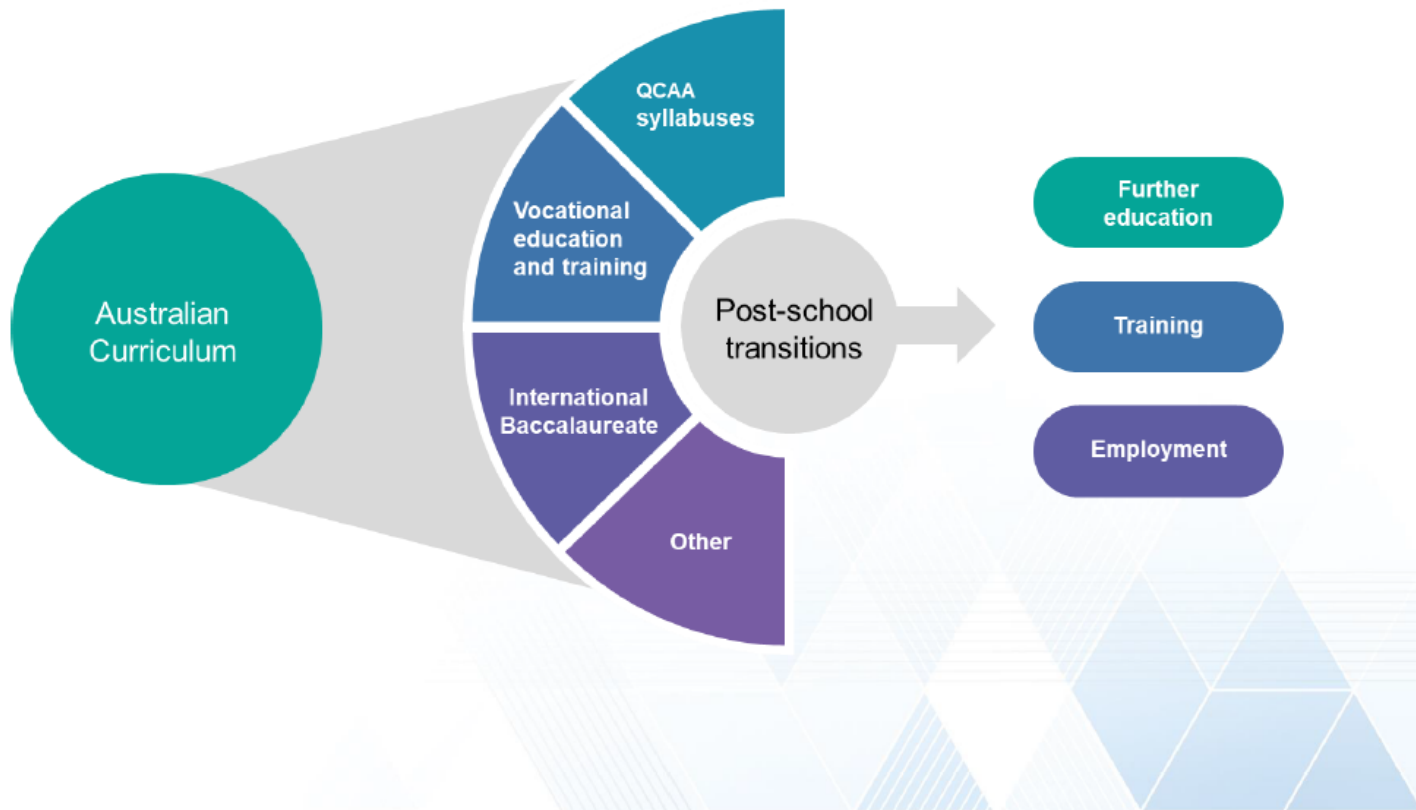

Preparing for senior school learning

- Planning for Years 11 and 12 is an important step for students.
 - A wide range of learning options is available.
 - Schools work with Year 10 students and their families to develop a plan.
- 

Meaningful pathways for all students in school

Planning a Pathway

The plan helps students:

- think about their education, training and career goals
 - structure their learning around their abilities, interests and ambitions
 - map their pathway to a Queensland Certificate of Education (QCE).
- 

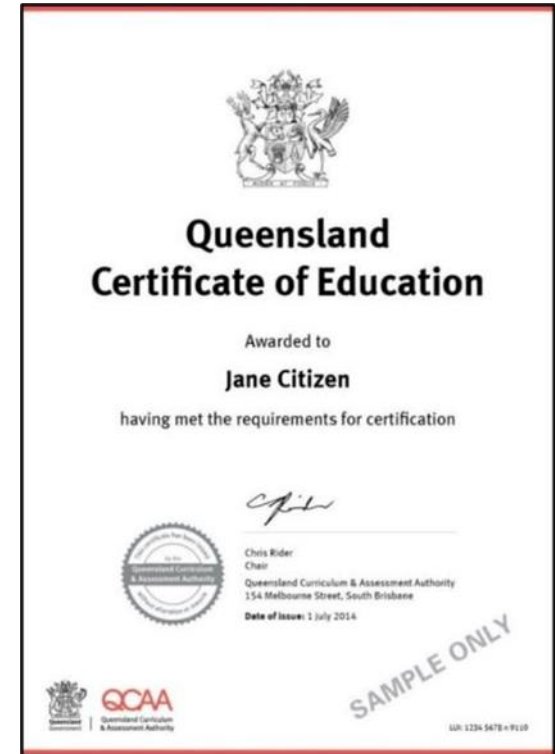

Things for students to Consider

- What are my career goals?
 - Which subjects am I good at?
 - Which subjects do I like?
 - Do I want to continue studying after Year 12?
 - Are there prerequisite subjects?
 - Are there special entry requirements?
- 

What is a QCE?

The QCE is Queensland's senior schooling qualification.

- Internationally recognised
- Shows student achievement
- Flexible
- Wide range of learning options

Queensland Certificate of Education

Lets look at a [short animated video](#) that explains the QCE requirements.

[A Guide to Planning your QCE](#)

How does the QCE work?

- Set amount: 20 credits
- Set pattern:
 - 12 credits from completed Core courses
 - 8 credits from Core, Preparatory & Complementary courses
- Satisfactory completion
- Literacy & numeracy

Set Amount

Set
amount

Set Standard

Set
standard

QCE credits are accrued when the set standard for each subject/course has been met.

Depending on the course, that may be:

- satisfactory completion
- grade of C or better
- competency or qualification completion
- pass or equivalent.

Literacy and Numeracy

- QCAA General or Applied English/Mathematics subjects
- QCAA Short Course in Literacy/Numeracy
- Senior External Examination in a QCAA English/Mathematics subject

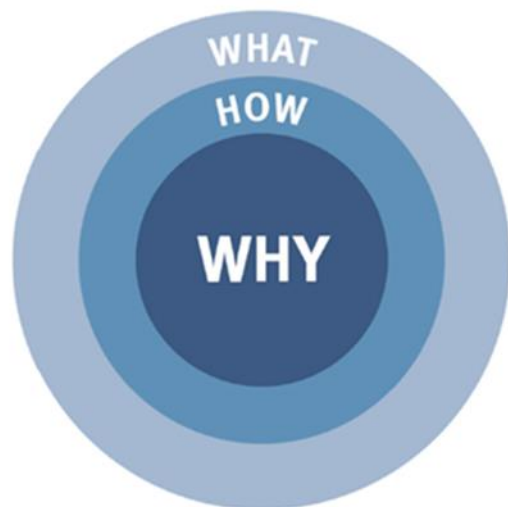

QCE Pathways

- The QCE is flexible.
 - There is no single pathway.
 - A student's pathway will depend on the subjects and courses the school offers and their individual goals.
 - Typically, students will study six subjects/courses across Years 11 and 12.

VETiS Funding

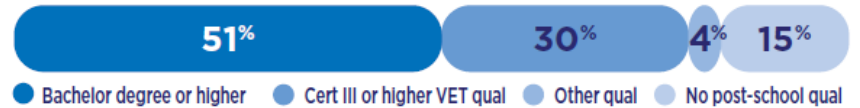

VETiS qualifications funded by the VET investment budget are listed on the [Priority Skills List](#). These qualifications are delivered by RTOs who have been approved by the department as pre-qualified suppliers (PQS) under the Certificate 3 Guarantee. Schools, in consultation with students and their parents/carers, are able to choose any PQS approved to deliver the eligible qualification. Students undertaking VETiS programs, funded by the VET Investment budget, can complete one employment stream qualification at the Certificate I or II level.

VETiS qualifications on the Priority Skills List are at the Certificate I and II level. Students who wish to access the VET investment budget to undertake a Certificate III qualification should do so through a school-based apprenticeship or traineeship (SATs), funding for a SAT is available under the User Choice program.

Health Care Dual Qualification

- Dual Qualifications: Certificate II in Health Care Support Services (Year 1)
1) Certificates III in Health Administration Support Services (Year 2)
- Students choose it from subject selection
