Scientia ad Sidera
From the heights and valleys round about,
We come to gather on the hill,
To learn to work and play and search out
The way life's promise to fulfill.
We seek to tread the road to glory.
And fly through learning to the Stars,
And hold on high the Golden Rule.
We are the Kelvin Grove High School
On the sporting field we strive to win,
And play a fair and famous game
High academic honors we'll pull in
To bring our school renown and fame.
So let the RED and GREEN fly high above
All rivals old and new to shame.
And hold on high the Golden Rule
We are the Kelvin Grove High School.
