From the heights and valleys round about,
   We come to gather on the hill,
To learn to work and play and search out
   The way life’s promise to fulfil.
We seek to tread the road to glory,
   And fly through learning to the stars,
Scientia ad sidera
Scientia ad sidera
And hold on high the quest for knowledge
Scientia ad sidera
Scientia ad sidera
We are the Kelvin Grove State College.

On the sporting field we strive to win,
   And play a fair and famous game.
High academic honours we’ll put in
To bring our school renown and fame
So let the red and green fly high above
   All rivals old and new to shame,
Scientia ad sidera
Scientia ad sidera
And hold on high the quest for knowledge
Scientia ad sidera
Scientia ad sidera
We are the Kelvin Grove State College.
