The Pursuit of Excellence With All Our Might

2 August 2017

Dear Parents and Carers,

I am contacting you as part of Brisbane City Council's commitment to pedestrian and child safety around schools. Since 2011, Council officers have been attending schools to promote safe parking and ensure that motorists are complying with local traffic conditions.

As you are aware, child safety around our school zone remains a concern for parents, children, local residents and schools alike. Parking spaces during pick up and set down times are at a premium and subsequently, competition for these spaces can lead to poor driver behaviour and potentially dangerous parking practices.

Regulating parking activities is necessary to promote safe driving during pick up and drop off times.

Over this term, Council officers will be attending school zones to ensure safe parking. Parking fines may be issued in cases where illegal parking is observed, with Queensland Police Service officers being active in Tank Street and Victoria Park Road recently, booking traffic offenders.

I would like to take this opportunity to ask that you visit the Council's website at [www.brisbane.qld.gov.au/traffic-transport/parking-permits/parking-rules](http://www.brisbane.qld.gov.au/traffic-transport/parking-permits/parking-rules) to learn more about parking in Brisbane.

I would also like to thank you for your support in keeping our pick up and drop off zone as safe as possible.

Yours sincerely

Llew Paulger  
College Executive Principal
