

Inspired by Witchery's White Shirt Campaign and the opportunity to design for change and to create for a cure, Year 12 Fashion students and the KG Bold team have partnered with Ovarian Cancer Research Foundation (OCRF) to raise awareness of Ovarian Cancer and contribute to the funding of vital research required to save lives.

150,000 deaths are caused by Ovarian Cancer each year. By 2035 that number will increase to over 250,000 deaths annually.

#Makeadifference and purchase a KG Bold White Shirt and help save lives.
