The following factors are also considered in the selection process:

### Football
- Level played
- Representative honours
- Potential and coachability

### Schoolwork
- Achievement – most recent achievement levels
- Behaviour and Industry – comments and ratings on most recent reports
- An exemplary behaviour record (evidence to be provided)

### Fees

The Football School of Excellence current fee structure is available upon request. Course fees include all coaching, lectures and courses as well as physiological screening each year.

Kelvin Grove State College is a government school and therefore, academic tuition for domestic students attracts a standard resource charge and additional levies as per individual subject areas. All excursions and extra curricular activities incur an additional charge.

### Application Process

Please complete an Expression Of Interest For Student Enrolment form and return to Enrolments Officer Kelvin Grove State College.

### For further information please contact

For further information please contact the Football Excellence coordinator 07 3552 7345 or Enrolments Officer on 07 35527340.

### Football School of Excellence

A partnership between Football Queensland & KGSC
**General Information**

Kelvin Grove State College in conjunction with Football Queensland offer school students the opportunity to improve their football ability and awareness whilst completing the Queensland Certificate of Education. This innovative program commenced in 1998 and is one of six schools of excellence offered at Kelvin Grove State College.

Past students enrolled within the Kelvin Grove State College Football School of Excellence have achieved well over the years with players representing Australia at Under 20, Under 17 and Schoolboy level. Players are also currently playing in the A League and the Brisbane Premier League.

**Aim**

To provide students who have identified Football talent with an opportunity to develop their game skills and to expose them to all facets of Football, from administration to team management, to provide a genuine career pathway.

**Course Outline**

The Kelvin Grove State College Football School of Excellence program is designed for Year 8 to 12 students. In the Middle School, Years 8 and 9, in addition to their school subjects, and in the Senior School as one of the subjects students must study while completing Years 10 to 12. The program is designed to provide students with the opportunity to develop their football skills and to use the study of Football to improve their academic opportunities and provide pathways to tertiary study.

Future prospects abound: Representative Football offers the opportunity to participate in competition throughout Australia and internationally. Tertiary studies in Leisure, Sport and Recreation, (Certificate III in Fitness is offered in years 10 and 11), Human Movements and Physical Education are available.

Football coaching, sports administration and managerial positions are possible. Entry into the Australian Institute of Sport program is possible for exceptionally talented players. School based traineeships are also available to students while completing year 11 and 12.

**Course Structure**

Students will receive the following tuition and coaching as part of their program.

- **Player Development**
- **Strength Training**
- **Games - As scheduled**
- Nutrition and Sports Psychology lectures are also included each term for Year 8 and 9 students.

Certificate II or III in Sport and Recreation are part of the course of study in Year 10 and 11.

**Course Overview**

Students undertake their academic studies at Kelvin Grove State College over 5 days per week. Students in years 10-12 choose 5 academic subjects and soccer whilst students in years 8 & 9 select soccer as one of their elective subjects.

**Selection Criteria**

Acceptance into the Kelvin Grove State College Football School of Excellence is dependent upon a student’s ability to meet the following criteria.

Students wishing to be considered for the Kelvin Grove State College Football School of Excellence must demonstrate the following:

- Applicants must be of acceptable playing standard
- Proven football skill and ability (must have played division one in an endorsed competition).
- Ability to work with others in pursuit of football excellence.
- Willingness to study other academic subjects at KGSC.
- The financial ability to meet the costs associated with Football studies.
- Proven exemplary record of attitude, industry and behaviour in a school community.
- Willingness to promote football in all its facets.
- Compete in all available competitions during the year at the discretion of the coordinator.
- Students must be prepared to undertake home study each school night and demonstrate a desire to complete their schooling.
