ABOUT KELVIN GROVE EXCELLENCE PROGRAMS

Kelvin Grove State College has three sport special talent programs (golf, soccer, tennis), and three special talent programs for the arts (dance-QDSE, drama and music). The school timetable has been adjusted to cater for the special talent areas. The students use both school and outside time to train. They are able to complete their schooling in addition to their special talent area. If the students choose five board subjects, they are eligible for an OP score. In 2002 the School became a P-12 single campus college with three School areas; Junior (yr.P-5), Middle (6-9) and Senior School (10-12).

The Development golf program runs from yr 7 – 12 and is designed to help students advance their skills prior to entering the Senior Excellence Program. The Senior Excellence golf program is aimed at the elite junior golfer and is for yr.10-12 students.

AIMS

To provide a realistic opportunity for the student to realise his/her potential in the development of his/her golf skills, as part of the pursuit of their high school education.

To provide students who have identified golf talent with an opportunity to study an introduction to facets of the game of golf and be exposed to a variety of expertise from the golfing industry.

To foster and promote good etiquette and sportsmanship for golf.

To develop and maintain a course of study that will achieve golf excellence, and the continued support and commitment of Golf Queensland

Sponsorship of the program would be sought to enhance and develop the program but not necessarily be an integral part of the required functioning or continuance of the program.

To foster and promote golf, in particular junior golf in the school and wider community, and promote links between the two.

To develop and promote golf students as role models at school, club and representative levels.

OBJECTIVES

A complete study of the game of golf is a complex and possibly lifelong task. Throughout the program we have chosen to emphasise three main aspects or fields of study. In each of these areas the students are to develop knowledge, skill and application.

The Technique

During the program the student will develop a knowledge and understanding of the fundamentals of a good golf swing. The student will study the fundamentals of most aspects of the game, in order to improve their own technique and the technique of others.

The Game

To develop a truly rounded golf education it is important that the student examine the many other influences on the game of golf. The students will examine the influence of the equipment, rules, administration and course design on the game of golf.
The Player

The student will develop a knowledge and understanding of the relationship between performance and psychological and physiological influences. They will develop correct techniques and principles of both physical and mental preparation and apply these to improve performance and prevent injury.

**SCHEDULE OF GOLF CLASSES**

Students will receive the following tuition and golf experience as part of their program. This will occur for up to 37 weeks of the year

**Small Group Coaching and Golf Instruction** (groups of 12 or less)
- 1 x 2 hour sessions per week

**Range Practice**
- 1 x 2 hour session per fortnight

**9 holes playing**
- 1 x 9 hole class competition / practice

**18 holes competition on a variety of golf courses - intra class or interschool**
- 1 x 4 hour game per term

**Theory & Classroom Lessons**
- 1 x 70 minute lessons per fortnight

**Fitness**
- 1 x 90 minute sessions per week in stretching, strengthening and control work specifically related to golf.

**CLASS COMPOSITION**

There can be up to 22 students in a class, in a range of yr. 8-12 grade levels.

APPLICATION PROCEDURES

ENTRY REQUIREMENTS

- Queensland students may enter at any High School Year level, although it is preferable they enter at the beginning of Year 7 or 8, providing there is a vacancy.

- Overseas students may enter at any year level, though it is also preferable that they enter at the beginning of Year 8. They must also speak conversational English and meet the entry requirements of the Overseas Unit of Education Queensland.

- Applicants should be of at least C Grade Standard - Recommended Handicap: Boys 27 or less, Girls 45 or less.

- Special consideration will be shown to applicants who have not yet reached the level of golf required, but show the ability and potential to improve.

- Applicants must demonstrate a satisfactory desire to complete their schooling.

SELECTION PROCEDURE

QUEENSLAND STUDENTS

- Applications forms will be sent to individuals on request in July.

- Applications close in September.

- Suitable applicants will be shortlisted and interviewed in October/November.

- A golf trial involving observation by a golf coach from the program may be conducted in conjunction with interview.

- Final selection will be made using information gained from interview, golf trial and application material. Students will be selected according to set criteria by the selection panel of the program’s coaches and coordinator.

- The Directors of the program must give final approval of the selections.

- Notification of all refusals and acceptances will be made during November.

- Enrolment of new students should occur in early December.

FULL FEE PAYING AND OVERSEAS STUDENTS

- Applications should be made on an individual basis by contacting the Golf Coordinator or International Students’ Coordinator.

- Applications can be made at any time throughout the year.

- Fees indicated are for the golf program only. Additional fees for academic studies and homestay will be charged.

- Students must contact Education Queensland International and register with them; then indicate that they wish to enrol at KelvinGrove State College.
SELECTION CRITERIA

The following factors are considered in the selection process:

GOLF
- Technical
degree of technical proficiency
quality of ball striking
- Performance
tournament results
handicap (guide only) Boys – 27 Girls – 30

Potential
length of time playing
speed of handicap reduction
- Physical
Physique
coordination

SCHOOLWORK
- Achievement
most recent achievement levels
- Behaviour and Industry
comments and ratings on most recent reports and references

PERSONAL QUALITIES
- an ability to work with others
- an ability to learn, take direction and work in a group situation
- attitude, industry and behaviour in the golf and school community
- a desire to succeed in golf and the concentration and perseverance to fulfil their potential
- a willingness to promote golf in all its facets
OTHER INFORMATION

FUTURE PROSPECTS
1. Full or part-time golf with opportunity to play tournaments in Australia and internationally.
3. Traineeship in Professional golf.
4. Tourist Industry, Resort Course work.
5. Scholarship with QAS – Golf
6. University Scholarships in golf in the USA, or at a college in Brisbane.
8. Victorian Institute of Sport

TRANSPORT
Transport to and from golf sessions is provided. Transport to and from the College is the student’s responsibility.

ACCOMMODATION
Students from outside Brisbane will be required to find accommodation, either close to the College, or close to public transport. Some support is offered in this area. Parental guidance is most important as a supportive home environment is critical for the students to succeed at their studies and their golf.

MEMBERSHIP TO BRISBANE GOLF CLUBS
It is the responsibility of the individual player to organise membership to a golf club in Brisbane. Assistance in organising this is available from the coordinator.

COST TO STUDENTS-2012 (Fees are reviewed each year in October/November.)

Please note these costs are for the golf program only. Accommodation and school costs are extra.

QUEENSLAND STUDENTS $2500 PER ANNUM (plus CPI) paid in 2 semester instalments. This fee is heavily subsidised through sponsorships and grants. (fees to be confirmed by new year)

OVERSEAS STUDENTS $4000 PER ANNUM (plus CPI) paid to Education Queensland International.

All fees are payable in advance and are non-refundable once the semester or year has commenced.

Golf fees cover the following
- Golf tuition 2 hours per group per week professional coaching in a group situation, one game feedback sessions per term, selection, screening and skills testing.
- Sports science physiotherapy and psychology screening, feedback and lectures.
- Transport to and from golf training and playing (Monday to Friday)
- Fitness K.G.S.C gym, 1 x 90 minute sessions per week, in groups of 12. All sessions are taken by qualified and specialist fitness instructors.
- Green Fees course playing and training fees (Monday to Friday) All training is conducted at Indooroopilly Golf Club
- Presentation Graduation Lunch
- Equipment practice balls, markers, measuring equipment, golf uniform- shirt
- Other student handouts, reference and resource materials, publicity, advertising for homestay, other theory lectures and courses, other incidental costs.
