THANK YOU

A heartfelt thank you to every staff member, student, member of our tech crew, volunteer and parent who helped make this year's Gala Concert such a memorable success.

Events like this don't happen by chance. They are the result of countless hours of rehearsals, individual practice, careful planning and dedication behind the scenes. From our performers who gave their all on stage, to the staff who coordinated every detail, the tech crew who brought the production to life, the volunteers who generously gave their time to support the event, and the families who encouraged and supported students every step of the way, we sincerely thank you.
