ABOUT THE PRODUCTION

KG CONFESSIONS: LOVE is an original contemporary theatre performance that combines both collage drama and verbatim theatre conventions.

Creating and sharing stories is one of the most authentic ways that we can build and shape community and our senior drama production focuses on uniting us through love stories.

FROM THE LEAD CREATIVE

I wrote most of the scenes for *CONFESSIONS* on my iPhone during the September holidays of 2023. I returned to the Performing Arts staffroom in Term 4 of that year & pitched the concept of my show to my dear colleague, Anne Grant.

Anne is a tremendous storyteller and I knew by exposing students to her stories, we would have the foundation of a smashing show. I knew this would be the start of something special.

Fast forward to 2026, the team is assembled & I've grown my Alumni Angels to help support me in bringing this show together in under seven weeks. Phew!

I hope you love it as much as I do.
