Application details

Application due date: 1st August, of each year

Selection for Year 8 ADE is through the written application **and** the applicant's response to the Design Challenge. The Design Challenge is not a formal test, but a way of encouraging applicants to express their creative ideas and innovative solutions. Following the submission of this application, you will be contacted in regard to the possibility of short-listing. Students already enrolled in Yr7 ADE need to complete this application form as entry into 8ADE is not automatic, however they do not need to complete the Design Challenge. Students will be judged on their suitability using the same criteria.

Design Challenge submissions should be 4 x A4 scanned pages only, along with a written statement that outlines the ideas and thought processes used whilst designing the work. The scans should be saved as a .pdf attachment via email.

The file size should not exceed 20MB. The filename should include the applicant's initial and surname and their year level in the following year e.g.: *ade.apply.your name year level*
If applicants are unable to send work digitally, they can post or deliver **copies of the work** together with full contact details to KGSC c/- ADE APPLICATIONS, VISUAL ART Department, KGSC (Unfortunately originals cannot be returned).

Further Information:

- You will receive an email receipt to confirm your submission.
- Please be advised that as this is an excellence program, there is an expectation that students are: highly organized, demonstrate an excellent work ethic (both in making and responding) and uphold the college values.
- The Design Challenge will be made available on the school website under "Excellence Programs" during term 2. Outcomes are usually advised to applicants by the end of term 3.
