

Student Resource Scheme (SRS)

Information Booklet

2026

Kelvin Grove State College

The Pursuit of Excellence With All Our Might

Kelvin Grove State College

The Pursuit of Excellence With All Our Might

Dear Parents/Guardians,

At Kelvin Grove State College, we take a holistic approach to developing young people's learning. Our Junior, Middle and Senior school curriculum is futures-focused, innovative and caring, while still embracing the core elements of education that have traditionally been essential for success.

Over many years now, our students have experienced a globally-connected and world-class standard of education, preparing them for their futures whilst also enabling them to make a valuable contribution to the wider community. We know they will continue to do so in the years to come. It is, and always has been, our people – students, families and staff who make the difference and are our greatest strength. This makes our college an outstanding place to learn and to work.

To achieve these great outcomes and prepare our students for their future pathways, there are many items required to assist with student learning and these include, textbooks (hard copy and online), consumables, resources and other materials. All of these items are the responsibility of the parent/guardian and if you are purchasing them individually, can become extremely costly for families. Therefore, the College has a Student Resource Scheme (SRS) in place to assist families to reduce these costs. The College has the ability to bulk-purchase educational items through government-approved supplier programs, allowing us to provide resources at a reduced rate to what 'single-purchasers' can source. These savings enable us to keep our resource scheme fees as low as possible. The provision of many of the specialist resources, in these fees, also saves families enormous amounts of time rather than having to source these specialist items in their already busy lives.

Contribution to the scheme is voluntary and parents/caregivers are under no obligation to join the scheme. However, if you elect not to join the scheme, you will need to provide all necessary textbooks, resources and materials for your student for the whole year.

This booklet contains information about the Student Resource Scheme and gives an overview of the items that are included. Families who join the scheme are offered the option of paying off the fee in instalments throughout the school year. Payment plans can be established by contacting our SUB Shop.

If you have any questions about the SRS after reading this booklet, please contact the SUB Shop.

John Thornberry
Executive Principal

Student Resource Scheme Information 2026

Year	Prep – Year 5	Year 6	Year 7 – Year 10	Year 11 – Year 12
Fees	\$200	\$355	\$355	\$390*

Administration Fee - \$350 (Out-of-catchment students only)

New out-of-catchment students enrolling at Kelvin Grove State College will be charged an enrolment fee of \$350.00.

Student Resource Scheme Information

The Student Resource Scheme has been implemented in this College to ensure that all students have the necessary resources to support their educational requirements. It is also intended as a convenience to parents/caregivers to provide a more economical option to purchasing new textbooks, resources and consumables each year.

Contribution to this scheme is voluntary. Parents/Caregivers are under no obligation to join; however, they will need to provide all necessary textbooks and purchase and/or pay for resources for the students if they elect not to join the scheme. These items are listed from page 11 of this booklet.

The Student Resource Scheme operates at this College under the policy and guidelines of the Department of Education (DoE). The Kelvin Grove State College Parents' and Citizens' Association supports and authorises any changes to the Student Resource Scheme at the October meeting. Parents wishing to take advantage of the resources and services provided by the scheme pay an annual flat fee as well as any individual subject charges and fees to participate in Excellence programs.

Some subjects studied attract an additional fee. These subjects and their charges are listed at the end of this booklet. All subject levies are invoiced at the commencement of the school year.

Benefits of participating in the scheme

Students participating in the Student Resource Scheme will be provided with all textbooks required for each subject. Students participating will also receive many resources and materials required in the course of their studies.

The scheme does not cover students' personal requisites such as stationery and writing materials. Resources not covered under the Student Resource Scheme are included in the Stationery Pack information available on line from 1 November on the College website.

Government Textbook Allowance

Every eligible student in Years 7 to 12 at Kelvin Grove State College receives financial assistance from Department of Education to offset the costs of textbooks and resources. This assistance is provided to the College once per year in the form of a Textbook and Resources Allowance (TRA). The school retains this allowance to offset the costs to the parents as detailed in the Fees area. Further information is provided under the Student Resource Scheme Inclusions section of this booklet.

Certain students are not entitled to the TRA, these include Exchange students, Full Fee-Paying Students, Adult Students (aged 18 years or older) and students from other states enrolling after the cut-off date (the first Friday in August). The Department encourages schools to provide Student Resource Schemes to minimise costs to parents.

Parents are required to purchase the stationery items outlined in the relevant year level stationery lists to start the year and any additional items as advised by class teachers.

Students enrolling in the Brisbane School of Distance Education or in TAFE courses are required to meet any costs involved with this enrolment.

Participation Agreement Form

Each year, all families will be provided with a Student Resource Scheme Participation Agreement Form. One form per student needs to be completed and it only needs to be completed once for the life of that student's enrolment. Should your circumstances change, you will be required to complete a new form.

Payment Options

There are a number of options for making payment of the participation fees.

- BPOINT: (School CRN 2409000044793) Invoice number and name required. There is a link on every invoice through to BPoint.
- QParent: payments can be made through the QParents app or website. Users will be directed to BPoint site to make the payment of the invoice.
- In person by EFTPOS at the SUBShop which is located in the Middle/Senior Campus.
- Phoning the SUBShop and asking for a direct link of the invoice to be sent to your mobile phone for credit card payment.
- Direct deposit in to the college bank account. If using this option please ensure your student's ID number and name are used to allow staff to allocate the payment correctly.
BSB: 064157 Account: 10000544 - In the reference area ensure you identify Your Surname, Initial and invoice number (if known) and an abbreviation of the activity. E.g.: Smith B 018765 Camp

Information regarding the opening hours for the SUBShop in 2026 is included in this booklet and is also on our website.

Where students enrol after the commencement of first term, the fees will be reduced on a pro-rata basis. The calculation will be based on a 40 week school year. Please note that the school, with the approval of the P&C, reserves the right to review and amend fees at any time.

Financial Difficulties

It is acknowledged that some families can experience financial difficulties. Parents/caregivers in these circumstances are urged to contact the SUBShop staff to discuss individual payment options. All discussions will remain confidential.

Non-payment of fees

The school operates the Student Resource Scheme to benefit all eligible students. It is not viable for the school to provide this service if fees are outstanding. It is for this reason that students may be refused entry into the scheme if fees are outstanding from the previous year/s.

Students with outstanding fees may be denied the opportunity to participate in non-compulsory school activities. Students will not be provided with resources until any outstanding fees from previous year/s have been paid.

Pro Rata Refunds

Students leaving school or transferring to another will be entitled, after receipt of a written request, to a pro-rata refund of any fees paid to the school and the Textbook and Resources Allowance. The pro-rata calculation is based on a 40 week school year. Costs for replacing any lost or damaged resources will be deducted from the refund. An electronic funds transfer will be issued to the parent/caregiver within one month of the school being notified the student has left and all outstanding textbooks are returned.

Action Required:

- Please make payment by 6 February 2026;
- Where required, complete the Student Resource Scheme Participation Agreement Form and return it to the SUBShop;
- Invoices for the year level fee will be emailed. To ensure your student is able to access all textbooks (if applicable) and resources, full payment must be made at the SUBShop or have established a payment plan before the 6 February 2026; and
- Invoices for individual subject charges will be processed as soon as possible in 2026. Prompt payment on receipt of the invoices is appreciated.

SUB Shop Information

The SUB Shop is located in SUB Block, which is located directly off L'Estrange Terrace (Gate 3). At the SUB Shop parents and students are able to:

- pay student fees and/or set up payment plans;
- purchase uniforms and answer stationery pack enquiries; and
- collect textbooks and other resources offered as part of the Student Resource Scheme.

Normal trading hours during school term:

Monday, Wednesday and Friday:	8.00am - 1.50pm
Tuesday and Thursday:	8.00am - 11.00am

Back to School Trading Hours for 2026

Monday 19 January:	Open to new students with booked fittings only.
--------------------	---

Tuesday 20 January:	9.00am – 5.30pm
---------------------	-----------------

Thursday 22 January:	9.00am – 5.30pm
----------------------	-----------------

Wednesday 21 January	CLOSED
----------------------	--------

Friday 23 January	CLOSED
-------------------	--------

Monday 26 January	CLOSED
-------------------	--------

Contact details:

For all SUB Shop related enquiries, please phone (07) 3552 7367, (07) 3552 7319 or email subshop@kelvingrovesc.eq.edu.au. Unfortunately, during peak trading times, it will not be possible to respond to phone messages or emails immediately. However, all queries will receive a response in a timely manner.

Online purchases for uniforms and canteen orders are encouraged through the Qkr! app. Please refer to the College website for further details.

Payment Policy

To be eligible to participate in extra-curricular activities, student accounts must be up-to-date. Students who have outstanding fees will not be eligible to participate in the ski trip, semi-formal, formal, study tours overseas, excellence programs or obtain a student jersey (senior students).
